Help us establish the Katherine Men's Shed at the Rotary Family Fun Park

Please note that all donations over \$500 are tax deductible. Your donation should be sent to the Australian Men's Shed Association, which has DGR (Deductible Gift Recipient) status.

Background:

The Katherine Men's Shed was established in May 2018 with the support of the Rotary Club of Katherine with the intention of being a community based, not-for-profit organisation that is accessible to all men and whose primary activity is the provision of a safe and friendly environment where men will work on meaningful projects at their own pace, in their own time, in the company of other men. And in doing so, give back to the community.

We believe that our shed will advance the well-being and health of men, help save lives and give a purpose to them and in doing so will counteract the dangers of mental health. We hold regular learning opportunities relating to the diseases and health problems that men suffer from.

Our aims:

- provide the opportunity for men, of all ages, and all cultures to associate and support each other
- provide an environment where men can be creative and productive
- provide an environment where men's health issues can be raised and discussed
- give men an opportunity to be valued in their community
- promote wellbeing and understanding among men
- expand men's educational and social networks
- promote intergenerational, familial and cultural bonding across cultures

Our need: A shed

The Rotary Club of Katherine Inc aims to provide the facility. The existing structure is non compliant and needs to be dismantled. We need to fund the purchase and erection of a new shed.

Your donation will enable the creation of the Katherine Men's Shed at the Rotary Family Fun Park and we look forward to welcoming you to our opening night.

Your donation is tax deductible. And in recognition of your contribution we have established a sponsorship program. Your name will be forever inscribed on a plaque in the shed.
